PROFESSIONAL SUMMARY

Dedicated Full Stack Web Developer and BCA graduate with expertise in building responsive, user-friendly web applications. Proficient in modern frontend and backend technologies including React.js, JavaScript, PHP, and MySQL. Adept at problem-solving and rapid learning, seeking to leverage technical skills to deliver innovative digital solutions and contribute to a dynamic organization's growth.

TECHNICAL SKILLS

- **Frontend Development:** HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap, Framer Motion
- **Backend Development & Databases:** PHP (Intermediate Level), MySQL (Intermediate Level)
- **Concepts & Tools:** AI Prompt Engineering, Responsive Web Design, Logical Problem-Solving, Version Control (Git/GitHub)

EXPERIENCE & TRAINING

MERN Stack Trainee | CETPA Infotech Pvt. Ltd. 01/2026 – Present

- Undergoing comprehensive, hands-on training in full-stack web development utilizing the MERN stack (MongoDB, Express.js, React.js, Node.js).
- Designed and developed a responsive, visually engaging front-end website for a restaurant (Amritras - Swad Vatika) using HTML5 and CSS3 to enhance user experience and online presence.

Web Development Intern | Internshala Trainings (Remote) 01/2025 – 03/2025

- Completed an intensive 8-week training program focused on building responsive, industry-standard web projects.
- Developed modern web applications utilizing HTML, CSS, JavaScript, PHP, and React.js.
- Integrated AI tools to enhance development workflows, optimize code, and improve overall application efficiency.

PROJECTS

Tourism Website (India Ghumlo) | HTML, CSS, JavaScript, Bootstrap, PHP, MySQL

- **Live Link:** <https://indiaghumlo.kesug.com/>
- Designed and developed a dynamic travel and tourism website that allows users to explore popular destinations, tour packages, and travel itineraries.
- Utilized Bootstrap to ensure a fully responsive, mobile-friendly interface with smooth navigation and modern UI elements.
- Developed backend features using PHP and MySQL to manage destination data, handle user inquiries, and process booking forms.

Personal Digital Portfolio | *React.js, Tailwind CSS, Framer Motion*

- Designed and developed a highly interactive personal portfolio website to showcase technical skills and academic projects.
- Utilized Framer Motion to implement smooth scrolling animations, dynamic skill marquees, and professional UI transitions.

School Management System | *HTML, CSS, JavaScript, PHP, MySQL, Bootstrap*

- Developed a comprehensive web-based application to efficiently manage student records, attendance tracking, and academic data.
- Implemented secure, role-based access controls for students, teachers, principals, and administrative staff.
- Streamlined institutional communication and centralized data monitoring, significantly reducing manual administrative workflows.

Home Appliance Repair Platform | *HTML, CSS, JavaScript, PHP, MySQL*

- Built a dynamic, responsive platform connecting users with nearby skilled technicians for seamless doorstep repair bookings.
- Engineered a booking management system featuring service request submissions and real-time status tracking.

EDUCATION

Bachelor of Computer Application (BCA) | *J.S. University, Shikohabad* 08/2022 – 08/2025

- **CGPA:** 7.63 (76.3%)
- **Core Coursework:** Database Management, Programming Language, Logical Thinking, and Web Development.

Intermediate (Class XII) — Percentage: 73%

High School (Class X) — Percentage: 77%

CERTIFICATIONS

- **Job Prep Training**, Internshala (4-Week) | Certificate No: j bq97c5c09z
Mastered job-hunting strategies, resume building, and interview prep.
